Environmental Policy v1.1

Approved by Stuart Warren on 02.11.2009. A paper copy of this policy is kept in the office and is available to interested parties. By virtue of this Environmental Policy, Warren Creative has ensured that it remains legible and is fully identifiable.

This policy will be reviewed annually.

Definitions

For the purposes of this document, the following terms apply:

Senior management is defined as the directors, officers and senior managers of the organisation.

Environmental aspects are the elements of Warren Creative's activities, products and services that can interact with the environment.

Environmental impacts are the changes to the environment that result from Warren Creative's environmental aspects.

Policy Statement

Warren Creative acknowledges that the environment can potentially be impacted by any of its activities, products and services. This policy sets out how our company will manage, monitor, measure and otherwise be accountable for our ongoing environmental performance. Warren Creative will adhere to the requirements of relevant local, national and international law pertaining to the environmental aspects and impacts of our company and to ensure that this policy is kept up to date with such requirements.

Warren Creative is committed to preventing pollution wherever possible and will ensure that as well as optimising new products, services and processes to facilitate this prevention, existing systems and processes are reviewed in order to identify areas for pollution prevention.

For each product, service, system or process, this will be achieved by:

- Eliminating the use of polluting materials or technologies;
- Reducing the use of polluting materials or technologies;
- Recycling or reusing materials within Warren Creative;
- Transferring materials or waste outside of Warren Creative for recycling or reuse;
- and, Where no other option is available, controlled disposal or incineration.

Warren Creative will integrate environmental management procedures, processes and planning with the general operations of our company to maximise the potential reduction of our companies environmental impacts. Warren Creative will ensure that where possible, products are designed and developed in such a way as to reduce the environmental impacts of their users.

Through the implementation of this policy, Warren Creative will set a leading example of good environmental management in the local area.
